Marquees

At Grampians Event Hire we have a range of marquees from which you can choose.

If you're unsure of the size you'll require for the guests you expect we can assist you in selecting the right marquees for your event. We're also happy to visit your event site to assist you in selecting the best site to erect the marquee.

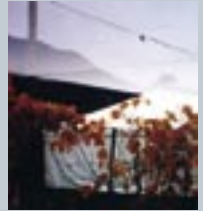

A recent addition to our range of marquees is clear span structures which are 6 metres or 10 metres wide and can be any length in multiples of 3 metres.

Accessories available include silk linings, bridal arch, chair covers, candelabras, restored wine barrels and more (refer opposite page).

From a small backyard gathering with twenty to thirty people to a large celebration with four hundred, we can create a venue to ensure the success of your celebration.
